Sir:

This amendment is responsive to the Office Communication mailed April 11, 2001, and supplemental to the Office Action mailed December 19, 2000, which set a one month period for response, making a response due January 19, 2001. A Petition for a Four Month Extension of Time is submitted with this amendment, making this communication due on or before May 19, 2001. Because a Petition for Two Month Extension of Time was filed on March 19, 2001, the fee submitted herewith is the difference between the fee for the Four Month Extension of time and the fee for the Two Month Extension of time.

REMARKS

Formal Matters

Claims 13-102 are pending.

Restriction Requirement

In the Office Action dated December 19, 2000, the Examiner set forth a Restriction Requirement requiring election of one of five different groups of claims.

In the response mailed March 19, 2001, applicants elected to prosecute the claims of Group II, which includes claims drawn to isolated polynucleotides.
